Islip, NY – Islip Town Supervisor Phil Nolan (third from left) recently recognized Margot Pregitzer, a resident of Bay Shore for over 50 years, for her commitment to keeping the Bay Shore community free of litter and debris.

For the past several years, Ms. Pregitzer has worked with the Town of Islip Division of Code Enforcement and Keep Islip Clean (KIC) to ensure that local businesses keep their storefronts and parking lots litter-free. She had KIC garbage receptacles placed in their parking lots, and she works with the storeowners to combat graffiti.
